

Serhan ÇETİNSAYA

Vice Chairman of the Executive Board

Serhan Çetinsaya was born in Istanbul in 1990. After completing his primary and secondary education in Istanbul, he continued his education life in Switzerland. Following the completion of his education at the Institut auf dem Rosenberg, he went to South Florida. After studying at Palm Beach State College for the first two years, he got transferred to the Department of Construction Management and Engineering at Florida International University.

After returning to Turkey on May 1, 2014, Çetinsaya started to work in the Avrupa Konutları Kale project and became the head of the Vadistanbul project. In addition to construction and architecture in the family company, he also contributed to the investments on the basis of shopping mall, tourism and project.

Serhan Çetinsaya, who is currently the project director responsible for all construction projects of Artış İnşaat under the brand of Avrupa Konutları, has gained serious experience in the shopping mall and retail sector. In 2016, he founded a new brand called Workland Smart Solutions, which offers ready-made and virtual office rental. At the same time, he carries out tourism activities in parallel with his family. He continues tourism management in seven different hotels in Istanbul, Bodrum and Kayseri.

Serhan Çetinsaya also serves as the deputy chairman responsible for investments, real estate management and development in the BJK Board of Directors. He is a member of Real Estate Investors Association GYODER and Shopping Malls and Investors Association AYD Board of Directors.

Serhan Çetinsaya is married and has two children and speaks English.
